Welcome to ICPS

Message from the Chairman

It gives me immense pleasure to welcome you to Ideal Central Public School. Our goal is to build an institution that not only imparts quality education but also instills strong moral and cultural values in our future generations. We are continuously working to provide the best infrastructure, modern technology, and highly qualified teaching staff to ensure our students excel in all walks of life.

— Neel Mani Jha, Chairman

Message from the Principal

Education is not merely about accumulating knowledge, but about preparing children for the challenges of life. At ICPS, we strive to create a vibrant environment where every student is empowered to discover their true potential. By blending modern pedagogy with traditional values through our smart classrooms and specialized laboratories, we ensure that learning is an enriching experience.

— Sunil Chandra Acharya, Principal

Our Vision

To nurture students as lifelong learners and future-ready individuals, equipped with the skills and moral values necessary to thrive in an ever-changing global environment.

Our Mission

Committed to providing holistic education, fostering academic excellence, and all-around development in a nurturing, safe, and disciplined campus environment in Samastipur.

Academic Pedagogy

ICPS offers classes from **Class I to Class VIII** with an advanced, future-ready curriculum designed to push the boundaries of standard education.

- **Competitive Foundation:** Specialized instruction in Mathematics, Physics, and Chemistry designed specifically to prepare students for IIT-JEE and National Olympiads.
- **Future-Ready Tech Integration:** We deliver cutting-edge technology education, seamlessly integrating Artificial Intelligence (Subject Code 417) and core machine learning concepts into our students' skill sets.
- **Digital Learning:** Complete parent-teacher-student integration via the Shikshaware ERP App for tracking daily updates, homework, and routines.

World-Class Facilities

Green Energy IT Labs

Our expansive 50-100 seat computer laboratory is fully supported by a robust 12kVA three-phase hybrid solar inverter system with a 1000AH lithium-ion battery bank, ensuring uninterrupted, sustainable tech education.

Smart Classrooms

Immersive learning environments equipped with interactive digital boards and modern teaching aids.

Science Hub

Fully equipped Physics, Chemistry, and Biology laboratories that meet advanced educational standards for hands-on experimentation.

Central Library

A vast collection of reference materials, Olympiad preparation guides, and modern digital resources.

Admissions Procedure

We welcome students from all backgrounds to join the ICPS family. Admissions are currently open for the 2026-2027 academic session.

Required Documents at the time of Admission:

- Birth Certificate issued by a competent municipal authority.
- Transfer Certificate (TC) from the previous school (if applicable).
- Passport-size photographs of the student and parents/guardians.
- Aadhar Card copy of the student.

Note: Official affiliation is currently in process and is expected to be updated by 2027.

Transport & Campus Guidelines

A dedicated and secure fleet of school buses covers all major routes across Patsa, Hasanpur, and surrounding areas. During periods of extreme regional heatwaves, ICPS prioritizes student health by smoothly transitioning to a Morning School schedule beginning at 7:30 AM.
